

Nominating Committee Report to ILYM Fall 2011 Continuing Committee  
November 5, 2011

The current members of ILYM's Nominating Committee are Mike Dennis (2012), Ruth Marquez (2013), Sarah Pavlovic (interim clerk, term ended June 2011), David Rutschman (2013), and Mira Tanna (2012). The committee has met by conference call to consider nominations that were not finalized at Yearly Meeting in June, and to attend to open positions that we judged were best filled before the next annual session.

1. **Assistant Recording Clerk for 2011-2012:** Pam Kuhn's move away from Illinois leaves us without an assistant recording clerk to support David Shiner through his first year as recording clerk. We are seeking someone with experience in this position who would agree to act as David's mentor and back-up if necessary through annual session 2012.

2. **Steward:** Nominating Committee submits for your approval a nominee to fill out the term of steward left vacant by the resignation of Tim Narkiewicz:

**Roy Treadway** as ILYM Steward, effective January 1, 2012 for a term ending 2015

3. **Nominees to ILYM Committees:** We submit the following nominees for your approval.

Maintenance and Planning: **Mason George**, effective upon approval for a term ending 2014

Personnel Committee: **David Rutschman**, effective upon approval for a term ending 2014

In addition, we report for the record that Finance Committee has appointed **Sandy Huntley** as their representative to the Personnel Committee.

4. **Nominees for representatives to wider Quaker organizations:** We submit the following nominee for your approval:

AFSC Corporation: **Bridget Rorem**, effective upon approval for a term ending 2014

5. **Other positions open:** Nominating Committee will continue to seek individuals to serve on the Faith and Practice Committee, an additional Friend to serve as an "at-large" member on the Personnel Committee, and individuals to serve as ILYM representatives to FGC's Central Committee and to Scattergood Friends School. As always, Friends are invited to give suggestions to any member of Nominating Committee.

Respectfully submitted,  
Sarah Pavlovic
