

Clear Creek's Intentional Use of Memorial Funds and Invitation
Advance Document Report

After much thought and conversation with the members of Clear Creek and donors of three of our Memorial funds, we have decided to use the funds as follows:

- 1) The Clancy Wilson Memorial Fund will be used to supply Clear Creek House with furniture for the patio and porch.
- 2) The Jim Bumgarner Memorial Fund will be used to endow a landscaping project with the advice and help of the Environmental concerns Committee.
- 3) The Nelson Family Memorial Fund will be used to purchase new signs for various buildings or campus sites. Any ideas about locations and proposed designs can be offered at Clear Creek's Illinois Yearly Meeting Group Share.

Clear Creek is extending an invitation to any members of Illinois Yearly Meeting who would like to participate in a group effort to share creative ideas to accomplish these activities.

May we share and enjoy each other's creative ideas, keeping in mind our commitment to consensus, which teaches us that our clear and loving relationship with each other is more important than our material decisions.

Jeannie B. Marvin, Clerk
Clear Creek Meeting
